DESCRIPTION
HIGHLIGHTS

Located in the stunning Soledad Canyon area is this 3600 sq. ft., 3BR, 5+ BA, 5 car garage, home. Approaching the beautiful xeriscaped front courtyard, you notice to the left of the house is a casita, convenient for your in-laws, guests, or college student. Immediately, you notice the exquisite detail that went into building this home. The entire house is tiled, and every bedroom and both living areas have nice ceiling fans and handsome blinds. From the master BR, the kitchen, and the great room, a majestic mountain view is visible. The great room has wood beams, a Southwestern style wood stove, and French doors. The kitchen has everything you need to have the culinary experience of your life: beautiful countertops, island w/ prep-sink, gas range stove-top w/ pot-filler faucet, double oven, huge pantry, custom-built cabinetry, breakfast bar, and eating area. The back yard has two hot tubs, a large covered patio, a pergola, and grilling area w/ wet bar. Come see this home today!
